The Twin Cities Airedale Terrier Club was formed in 1975 by a group of fanciers to help promote the best interests of the breed in this area. Our members come from all sorts of such as conformation, obedience, agility, tracking, and hunting and field. The club relies on the participation of its Full and Associate members to set a direction for the club and support the selected events. Typical events our members are involved in include the annual specialty, sweepstakes, obedience & rally show, educational seminars, grooming and handling days and various social activities. As we continue our commitment to the Airedale Terrier, we look forward to having you join and participate in TCATC.
